

Stephen **GLASSBORROW**

Born in, Hammersmith England

Stephen Glassborow specialises in making Sculptures in Bronze. He uses the figure like a coat hanger, onto which he displays his ideas. In each sculpture he likes to manipulate and capture the figure in a blend of real and abstract.

Glassborow's career has developed to a point where he now sells his work in many countries. He exhibits regularly in the States and the UK, and he has public works in Bangkok, Kuala Lumpur, Singapore, Hong Kong, Shanghai and Seoul.

In Australia, Glassborow has had many exhibitions with public sculptures featuring in Canberra, Sydney, Melbourne and regional Victoria.
